Fisk and three other officers conducted an investigation on a lottery complaint at this address, two of the officers entering the premises through an unlocked back door, after identifying themselves to complainant; that complainant's husband was intoxicated and very illigient; that he was searched and the contents of his pockets placed on a bed; that a routine examination was made and there was no evidence of lottery found, but that on December 20, 1946, two arrests were made at this address on November 20, 1946, for violation of the Los Angeles Municipal Code, Section 43.01 (Lottery possession).
